Positioned just a short stroll from Cheadle Village, this mature bay-fronted semi-detached home offers the perfect setting for modern family life. With excellent local schools, convenient motorway links and Gatley Station within easy reach, it combines everyday practicality with a strong community feel.

The entrance hall, complete with original stained glass detail, sets the tone for a home that blends character with comfort. To the front, the bay fronted living room provides a cosy retreat for evenings together.

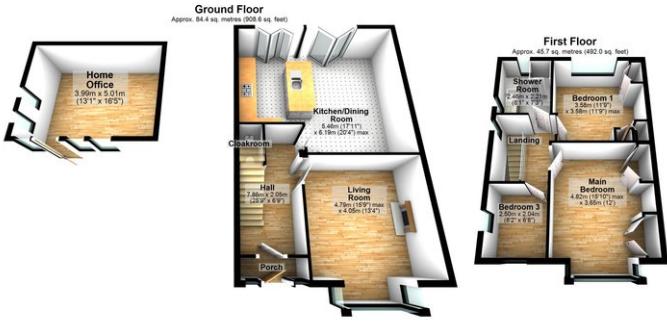

The real heart of the home is the impressive open-plan dining kitchen extension, designed with family living in mind. The central island creates a natural gathering point, while quartz worktops, integrated appliances and generous storage make it as practical as it is stylish. Bi-fold doors open directly onto the rear garden, creating seamless indoor-outdoor living during warmer months – perfect for children playing outside while dinner is prepared inside.

Upstairs, there are three well-proportioned bedrooms, including two spacious doubles with fitted wardrobes, making it ideal for growing families. The upgraded shower room has been finished to a high standard, with a walk-in rainfall shower and contemporary fittings.

Outside, the south westerly facing garden provides a safe and sunny space for children to play and for family gatherings. The timber-built garden room adds valuable flexibility – ideal as a home office, gym, playroom or teenage retreat. Ample driveway parking completes the package.

A home that offers space to grow, walkable village amenities, strong schooling and excellent connectivity – perfectly suited to family life in Cheadle.
