This beautifully presented two bedroom period cottage perfectly blends character, charm and modern living – creating a home that is ideal for first time buyers, professional couples or downsizers seeking something truly special.

Behind the attractive façade lies a deceptively spacious interior that has been thoughtfully updated, whilst carefully preserving the charm expected from a property of this era.

The welcoming living room is a wonderful place to relax, centred around a feature fireplace with wood burning stove, creating a warm and cosy atmosphere during the winter months. To the front of the property is a separate dining room, and at the rear is a beautifully designed fitted kitchen/dining room with striking cabinetry and flooded with natural light from the glazed roof and garden outlook, forming a perfect space for both everyday living and entertaining.

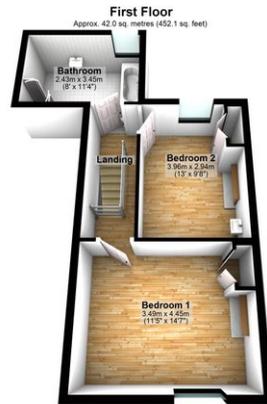

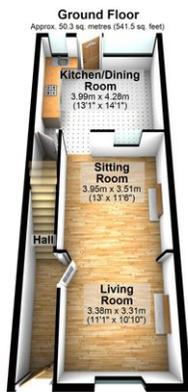

Upstairs, the property continues to impress with two excellent double bedrooms and a stylish refitted four-piece bathroom suite, combining traditional styling with modern convenience.

Externally, this home truly sets itself apart from many similar properties. To the rear is a delightful private garden mainly laid to lawn with a paved patio area ideal for outdoor dining and summer evenings.

Beyond the garden is a particularly rare feature for this style of property – a double driveway and detached double garage, providing exceptional parking and an outbuilding with the potential for a variety of uses.

Combining character, stylish presentation, excellent outside space and outstanding parking, this is a home that simply must be viewed to be fully appreciated
