If you've been searching for a property with genuine scope to modernise, personalise and add value, this traditional three bedroom semi-detached home could be exactly what you've been waiting for. Occupying a convenient position close to local shops, schools, Stockport town centre, train station and excellent motorway links, the property offers accommodation including a porch, hall, living room, kitchen with adjoining dining area, three bedrooms and a bathroom. Whilst requiring complete modernisation throughout, this is very much a blank canvas, allowing the next owner to create a home to suit their own taste and lifestyle. Outside, there are gardens front and rear, with the rear garden providing excellent space for families, gardening enthusiasts or future landscaping projects. Offered with no onward chain, an early viewing is strongly recommended.
